## Low cost Spay/Neuter agreement in works

### THE CITY'S ENFORCEMENT SERVICES DIVISION

**T**HE CITY'S ENFORCEMENT SERVICES DIVISION expends a large part of the department budget impounding stray animals each year. Dealing with stray animals, including feral cats, becomes very costly for a City when the cost of transportation to area shelters and the cost of personnel time is factored in.

The fact that many cats and dogs in Deltona are not spayed or neutered greatly exacerbates the drain on City resources caused by stray animals. Spaying/neutering of Deltona animals is expected to reduce the costs to the City of dealing with stray animals. Halifax Humane Society has agreed to a program to save Deltona residents money and help reduce our pet overpopulation.

The agreement includes:

- Deltona Spay and Neuter Days at the Halifax Humane Society's Redinger Clinic in Daytona Beach. Surgeries come with vaccinations, nail trims, ear tipping (if applicable) and microchips. A non-refundable reservation fee of \$10 will be assessed to reduce "no-shows." This is the only cost to the pet owner.
- Transportation is included! Residents who would like for their pet to be transported to the clinic, can take them to a pre-determined location for transportation to the Redinger Clinic.

**Continued on Page 3.**

## Deputy CM new Acting CM

**T**HE DELTONA CITY COMMISSION HAS chosen one of the City's "battle tested" employees, Deputy City Manager Dave Denny, to serve until at least Oct. 1 as the Acting City Manager.

This will be just one of many positions Denny has served in since he was hired by the City when the utility was purchased from Florida Water Service. Denny was said to be something the City "bargained" for to be included with the purchase. Denny became the City's Utilities Director and later took on Public Works and Utilities before becoming the Deputy City Manager under City Manager Faith Miller. Miller, who also had a long career with the City, submitted her resignation on Feb. 4.

The Commission decided to not recruit a permanent City Manager until after Fiscal Year 2012-2013 when a new budget is in place (Oct. 1, 2013). They agreed to evaluate Mr. Denny at that time before moving forward.

## Spruce Up Deltona, City's Annual Spring Cleanup chance for community pride

**B**EEN MEANING TO CLEAN OUT THE GARAGE? OR REPLACE THAT shrub that's not adding anything to the landscape? Use Spruce Up 2013 as the reason for finally tackling that project around the house.

The City's annual Spring cleanup is officially April 19-21. The City is providing large dumpsters for trash and unwanted items at 2391 Day Road (near the U.S. Post Office on Howland Boulevard). Items may be taken to the trash site from 8 a.m. to 4 p.m., Friday and Saturday, and from 8 a.m. to 2 p.m., Sunday. Please do not leave tires, motor oil, auto parts, paint, hazardous materials, pool chemicals or large appliances. Some of these items may be taken to Volusia County's Household Hazardous Waste Amnesty Day going on from 9 a.m. to 3 p.m., April 20, at 16 Colomba Road, DeBary. They will accept batteries and motor oil but will not accept tires.

Residents are encouraged to involve their neighborhoods and clean up their yards, throw away unwanted items and plant flowers—especially azaleas, Deltona's official City flower.

Suggested tasks include trimming and mowing grasses and shrubs; planting shrubs; cleaning and repairing or painting

exterior surfaces of homes and buildings including walls, porches, gutters, roofs and pools; disposing of leaves and branches, accumulated debris, and unneeded items stored in carports or elsewhere; adopting the vacant lot next door or nearby and cleaning the right-of-way, and joining an adopt-a-street program to keep your street or block looking sharp year-round.

This is a great chance to show community pride by helping us Spruce Up Deltona! Improving the appearance of your property improves property values, reduces crime and goes a long way in helping us work together for a better and more beautiful Deltona.

## Celebrate our nation's independence with family and fireworks

**B**RING THE WHOLE FAMILY TO THE CITY OF DELTONA'S 9TH Annual July 4th Extravaganza at Dewey O. Boster Sports Complex, 1200 Saxon Blvd. Pack up the family, bring a chair or blanket to relax on as you enjoy the park, and be dazzled by a sky full of color. Vendors will be on-site to sell food and/or souvenirs. The classic disco throw-back band Then2Now will also perform.

Because parking is limited at the Sports Complex, beginning at 5:30 p.m. a shuttle service will be available from Deltona City Hall, 2345 Providence Blvd. The last bus before the fireworks will depart from City Hall at 8:45 p.m. Buses will begin transporting back to City Hall at 9:45 p.m.

No sparklers, barbecue grills, outside fireworks or pets are permitted at Dewey O. Boster during this event.

## Growing at the Speed of Business: On the Economic Development front

The Economic Development Office had several celebrations since the last edition of the City Newsletter. Ribbon Cuttings and grand openings were celebrated at

- Leslie's Swimming Pool Supplies, 2135 Howland Blvd.,
- The District Office of State Representative David Santiago (District 27), and
- Focus 9 Financial, 601 Deltona Blvd., Suite 102.

We also celebrated a ground breaking for a new McDonald's, 131 Howland Blvd. (near Wal-Mart).

### Continued from Page 1 (Spay & Neuter).

- The number of days will be determined by how many and what type of animals receive surgeries each day.
- Only the pets of Deltona residents will be accepted for the program.

Program details and information on reservations will be available soon.

## Watch for new DeltonaTV programming

**T**HE CITY OF DELTONA'S GOVERNMENT TV STATION IS EXPANDING its program line-up, to bring locally produced and more diverse programs to Deltona's residents. Viewers can look for programs that will focus on Deltona's economic push for new businesses and jobs, updates on new and existing City Codes, events from Deltona Parks & Recreation, and seasonal and fire safety topics from the Deltona Fire Department.

The City is also working with its new broadcast partner, the Pentagon Channel, and will begin airing The Grill Sergeants, Fit

for Duty, Armed Forces Boxing and Battleground. Viewers will be able to find out how to cook and eat well, keep healthy and fit, see some of the best in amateur boxing, and see historical perspectives of some of the world's military conflicts.

These additions will not replace the existing programs nor will they preempt the broadcast schedule for City Commission Meetings. Check the DeltonaTV schedule on the City Web site, [www.deltonafl.gov](http://www.deltonafl.gov), to get the air dates and times for these new programs.
